

AUTHOR FORM

AUTHOR CONTRIBUTION

Dusunen Adam The Journal of Psychiatry and Neurological Sciences follows the Uniform Requirements recommended by the International Committee of Medical Journal Editors for authorship. Accordingly, **each author must meet all of the following criteria:**

1. Substantial contributions to the **conception or design** of the work; or the **acquisition, analysis, or interpretation of data** for the work; AND
2. **Drafting the work or revising it critically** for important intellectual content; AND
3. **Final approval** of the version to be published; AND
4. **Agreement to be accountable** for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

Those who do not meet the above 4 criteria should be named in the Acknowledgements.

The terms set forth herein have been arranged in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE). For further details please see: <http://www.icmje.org/recommendations/browse/roles-and-responsibilities/defining-the-role-of-authors-and-contributors.html>
